Getting a Uniform

Cub Scout Registration · https://pack317.org/docs/getting-a-uniform/

To get your new scout a uniform, you can visit the Denver Scout Shop in person, or order the uniform online. A few details about both options will be shown below to help get you started. As a reminder, we encourage the scout uniform to show unity with our Pack and they are required for certain scouting events.

The following walk through will give you the sample for a Lion scout but it helpful for all scout levels. Please note you can choose a t-shirt for the uniform for Lion Scouts. This is a good choice if you are unsure if your scout will want to continue next year. However, you may also choose the blue cub scout uniform. The uniform shirt is what all other cub scouts wear and is where the earned badges will be displayed.
