Meeting Details

The 1st and 3rd Thursdays we meet as a den where scouts work on achievements with scouts in their same grade.

The 2nd Thursday we meet as a Pack. This is where awards are distributed and we have an activity to engage all scouts together!

Den Meetings

Scout Dens will meet as breakout sessions with their Den Leaders and parents. This is where scouts will work on the various achievements in order to earn badges and advancement within their Den. Dens are broken down by academic level to ensure the activities are age appropriate and challenge the scouts without being too daunting.

Pack Meetings

The entire pack meets on the 2nd Thursday of each month. This is an opportunity for all cub scouts to meet with kids from other dens of different ages. All scouts can share their achievements while also working on a craft or activity together.

The award ceremony is included during the pack meetings. This is where scouts will receive awards such as belt loops or badges in recognition of their achievements!

Cub Scout Registration

If you have not already registered your scout, I have provided the link below. The annual registration is approximately $80/year, prorated upon registration. There is also a one-time $25 registration fee. Click here for official cost information from BSA.

Additionally, pack dues are $125 for the year. This covers many of the pack events and items for the events such as boat and car kits for our projects. This fee is paid directly to the pack and renews at the beginning of the scouting year which coincides with the school year. Fundraisers are also available to help reduce your dues contributions.

Please be sure to see the registration walkthrough. This will assist new users with the process of first creating an account for the parent, then a separate account for the scout.
